

THANK YOU

FOR PARTICIPATING IN THE 2020 NATIONAL POLICE WEEK 5K

As we have communicated to you via email, social media, and through the event registration system, the COVID-19 pandemic and ensuing executing orders prohibiting gatherings has required us to cancel the on-site event in Washington, DC, on May 9th. Additionally, please note that all other National Police Week events in Washington, DC, have been officially cancelled.

However, the good news is that the entire National Police Week 5K is now "virtual" this year. You will be joining over 1,000 members of our law enforcement family as we run, walk, and row throughout the country and the entire world!

I ask that you carve out a small portion of your day on Saturday, May 9th, to reflect on the sacrifices of our fallen law enforcement officers while you run, walk, or row your own 5K. If you decide to join others in your hometown, please follow your local social distancing guidelines.

I would also like to provide special thanks to all our sponsors who have committed to supporting our mission during these difficult times. We ask that you give special consideration to these great sponsors:

verizon^v

BERKSHIRE HATHAWAY
HomeServices

Capgemini

Lastly, I would like to ask that you consider making an additional donation of any amount in support of The Officer Down Memorial Page and Concerns of Police Survivors. The National Police Week 5K is our biggest fundraising event of the year that allows ODMP to provide so many resources to the law enforcement community. If you're able to, we ask that you make a donation online at <http://NationalPoliceWeek5k.com/Donate> or by mailing a check using the donation form below.

On behalf of the entire staff of the Officer Down Memorial Page and National Police Week 5K, thank you for your continued support during these difficult times. We are all sad that we can't run together this May, but we are already looking forward to a great event in 2021!

Sincerely,

Chris Cosgriff, Executive Director
The Officer Down Memorial Page, Inc.
